

MURRAY RIVER GOURMET

GRINDER SALT

WITH A CHILLI INFUSION

AUSTRALIA'S ORIGINAL GOURMET PINK SALT

Naturally pink.

Murray River Gourmet Grinder Salt has been infused with premium quality chilli flakes grown in the rich, red earth soil of the Murray Darling Basin region.

Murray River Gourmet Grinder Salt is produced from ancient saline waters sourced from underground aquifers found in Australia's Murray Darling Basin region.

The naturally occurring minerals found in the ancient saline waters produce a uniquely pink hued salt.
